TC LETTER: 05-13

CHILD SUPPORT TRAINING COORDINATORS

SUBJECT: **DCSS PUBLIC WEBSITE CHANGES**

We are pleased to bring to your attention the recent modifications made on the Department of Child Support Services (DCSS) public website. These changes have been made to ensure training-related information for child support professionals is more accessible as well as to provide a convenient method to provide information about the most current California Child Support Automation System (CCSAS) training materials.

The DCSS website can be accessed at:

<http://www.childsup.cahwnet.gov>

On the DCSS home page you will see a new hyperlink, "Training for Child Support Professionals". When you click on that hyperlink, you will be directed to the Statewide Training Section (STS) web page where all training-related information is linked. Check this page periodically for updates to training materials, access to Training Coordinator (TC) Letters and other information meant for dissemination to staff of local child support agencies.

As we continue to improve and update this site your feedback is welcome and appreciated. Please direct any suggestions for the website improvement to Lisa Seaton at (916) 464-5710 or by email at [lisa.seaton@dcss.ca.gov](mailto:lisa.seaton@dcss.ca.gov).

Should you have other questions, you may contact Joyce Dowell, Manager of the Planning, Analysis & Program Administration Unit, Statewide Training Section, at (916) 464-2789 or by email at [joyce.dowell@dcss.ca.gov](mailto:joyce.dowell@dcss.ca.gov).

Sincerely,
