Electronic Income Withholding Orders

The California Department of Child Support Services (DCSS) and the Federal Office of Child Support Enforcement (OCSE) offer a great option for employers to save time and money.

e-IWO is a FREE and secure method to:

- Receive and respond to IWOs electronically
- Eliminate time consuming paperwork
- Save time and staff resources
- Communicate quickly with state child support agencies

“e-IWO is a great process that enabled us to become more efficient by eliminating data entry and reducing the amount of time to process orders.”
