This letter provides the repayment sharing ratios for the Federal Medical Assistance Percentages (FMAP) for Federal Fiscal Year (FFY) 2015. The rates are used to determine the federal, state and county shares of child support collections on the Monthly Report of Collections and Distributions (CS 34) and the Supplement to the Monthly Report of Collections and Distributions (CS 35).

These percentages are effective October 1, 2014 through September 30, 2015. The FMAP sharing ratio of 50 percent remains the same as FFY 2014.

The previous repayment sharing ratio table, distributed with Child Support Services Informational Notice 13-01, reflects the expiration of Senate Bills 72 and 1041 and the restoration of the county share for the state fiscal year ending June 30, 2014. The enclosed repayment sharing ratio table includes the period of July 1, 2014 through September 30, 2014 to provide a continuous table of information through the end of FFY 2015.

If you have any questions, please contact the Policy and Program Branch at (916) 464-5883.

Sincerely,
