SUBJECT: ROLL-OUT SCHEDULE FOR INTERNAL GUIDELINE CALCULATOR
USE IN THE COURTS

The California Department of Child Support Services has worked closely with the Administrative Office of the Courts, in coordinating with the local courts to ensure all courts use the statewide guideline calculator when calculating support for IV-D cases, and in developing the attached implementation schedule.

The purpose of this letter is to advise Local Child Support Agency staff of the schedule for implementation of the internal guideline calculator in the local courts. Attached please find the roll-out schedule for each court by county. Please note that those counties identified as pilot counties (Inyo/Mono, San Diego, San Francisco, and Sierra/Nevada) will roll-out Monday, October 27, 2008. The remaining courts are scheduled to roll-on in waves based upon region

If you have any questions, please contact Jarilyn Jones with the Program Policy Branch, at (916) 464-5883.
