LCSA LETTER: 12-13

ALL IV-D DIRECTORS

SUBJECT: STATE FISCAL YEAR 2012/13 ADDITIONAL FEDERAL FINANCIAL PARTICIPATION EXPENDITURE SURVEY

The State Fiscal Year 2012/13 budget includes authority for \$26.4 million Federal Financial Participation (FFP), based on the understanding that the local child support agencies (LCSAs) will be required to provide the 34 percent match. An LCSA may elect to use county general funds to mitigate program reductions during the 2012/13 fiscal year.

In order to proceed with this process, the Department of Child Support Services (DCSS) is requesting that each LCSA complete the attached survey by November 2, 2012. The information provided in this survey will enable DCSS to identify and plan for additional FFP expenditures.

Please be reminded that the child support program is governed by federal and state law, regulation, and policy directive which apply to any funds spent in operation of the child support program. The use of county funds does not relieve your agency from abiding by the respective requirements that currently govern the expenditure of federal and state monies.

All LCSAs must return a survey response to DCSS, by November 2, 2012.

Please refer to Attachment I for instructions on how to complete the survey. An electronic version of the survey (Attachment II), which includes formulas, is available upon request. Please **email** Donna Kruger at **Donna.Kruger@dcss.ca.gov** or your LCSA budget analyst if you are interested in receiving this version.

Instructions for the Completion of Attachment II

For local child support agencies (LCSAs) that do not intend to use county general funds to match Title IV-D funds in the child support program in SFY 2012/13, check the box stating “No” and stop. Remaining LCSAs will check the “Yes” box and complete lines A through E.

- **This is for Non-EDP administrative expenditures only.**
- On line A, please report the SFY 2012/13 Final Administrative Allocation for your LCSA.
- On line B, please report the Administrative expenditures anticipated for SFY 2012/13.
- On Line C, please report the difference between your Projected SFY 2012/13 Expenditures (line B) and SFY 2012/13 Final Administrative Allocation (line A). The electronic version automatically calculates the difference between lines B and A. A positive amount would indicate your anticipated expenditures are larger than your Administrative Allocation.
- On line D, please report the result of multiplying the amount on line C by 66 percent. This represents the additional FFP requested by your LCSA in SFY 2012/13. The electronic version automatically calculates the FFP.
- On line E, 1, please report the result of subtracting the amount on line D from line C. This represents the county general funds to match Title IV-D funds projected to be expended by your LCSA in SFY 2012/13. The electronic version automatically calculates the non federal share.
- On line E, 2, please report the 34 percent matching share of line E, 1 that will be paid for with county general funds.
- On line E, 3, please report the amount of line E, 1 that will be paid for with performance incentives.
- Line E, 2 plus line E, 3 must equal line E, 1.
